

Shuttle Greater / Alger Park & Ride Volunteer

The race will be having participants park at the Alger Park and Ride as best as we can. We need to limit the number of cars that park there by leaving 4 or 5 spots available for non-race parking. This year we have the Green Baker Bus doing the shuttling between the two areas.

Directions:

- Take the Alger I-5 exit. If heading South, take a left onto Lake Samish Road
- Soon after the Shell station there will be a medium sized park and ride on the right

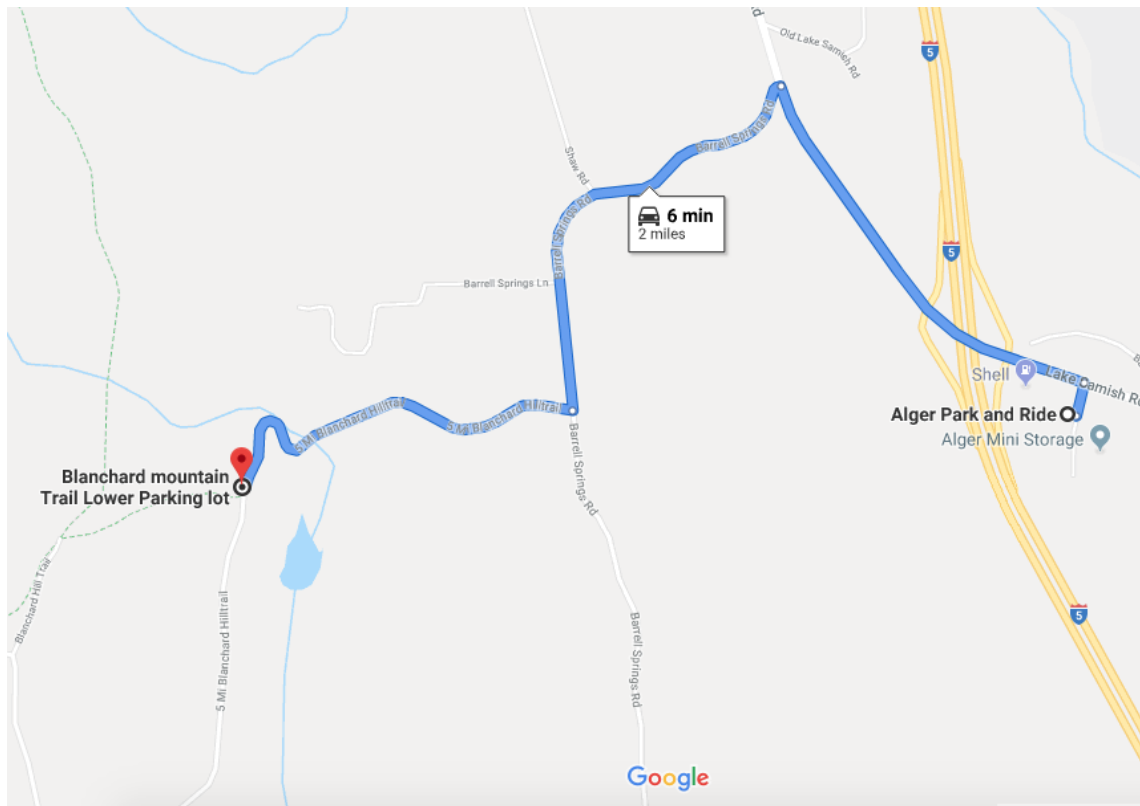

General Notes:

- The Baker Bus is not allowed to use the bus only area
