

Blanchard Upper Lot Volunteer

The upper lot will not have too much going on, but it is a key position for directing racers on the course.

- When the race initially starts, we need to confirm the yellow gate that is about 100 feet up the road is open and the bi-fold sign with the arrow is pointed up the road
- It is **very important** to not let any vehicles through here except for official race volunteers (should be a car or two). Anyone who goes through the gate without being part of the event will get locked in.
- Once the sweepers have come through, rotate the bi-fold 90 degrees so the arrow is point towards the trail they came up and facing the road from the entrance to the parking lot and **close/lock the gate**

Map of Upper Lot:

The runners will follow the blue arrow at the start. They will return following the orange arrow.

Schedule:

- 8:00 AM - meet at the lower lot to get gate code and sign, then head up to the upper lot
- 9:00 AM - race starts
- ~9:05 AM - first runners likely coming through
- 9:05 AM - wave 2 starts (may not be perfect timing)
- 9:10 AM - wave 3 starts (may not be perfect timing)
- 1:00 PM - cutoff of race at lower lot
