

Samish Bay Connector – Chuckanut Drive Intersection Volunteer

There is a very important turn on the course that if missed the racer will end up all the way down on Chuckanut Drive. We have had people mess with course markings in the past, so we like to have a volunteer posted at the intersection until the sweepers come through to make sure no gets off course.

- Timing
 - Please checkin at the start/finish line by 8:15 AM
 - The goal is to be at the position by 9:15ish. The fastest runner likely will get there around 9:30
 - Please remain in post until the sweepers come through (likely around 11:45 or so but really depends)
- It takes about 15 to 20 minutes to drive to the overlook. There will likely be a few potholes
- Rough guess of 20 to 25 minute hike
