

Alternate Incline Course Marshal Volunteer Info

- There is a key intersection at the top of Alternate Incline, the Lily Lake Trail, and British Army Trail
- Your job is to help direct runners down the correct direction
- Once the sweepers have arrived you can head out. Make sure to discuss with them if they left any signs/flagging at the bottom of Alternate Incline for you to grab

Getting to the top of Alternate Incline:

- Head up the road from the Lower Lot and drive to the Upper Lot
- Continue up the road past the info board and you will come to a yellow forest gate
- A gate combo will be provided to you on Saturday once we get it from the DNR
- Continue up the road for a little over a mile and past the clear cut
- Slightly past the Alternate Incline Trailhead and up a small hill there are a few parking spots on the right side of the road
- Make sure an ambulance or large truck can get past your vehicle on the road
- Hiking up the Alternate Incline trail
 - Approx 1 mile and 750 feet of gain
